

Driving Directions Mountjoy & Bressler

Louisville Office

1. Take Interstate 64 westbound to Louisville. If you are coming from Covington, Interstate 71 will merge with 64 just before coming into downtown Louisville. Follow the westbound signs that lead to St. Louis.
2. The 3rd street exit is just past the Interstate 65 interchange. Take the second lane instead of the far right lane at that exit and you'll be able to go straight across at the traffic light at the bottom of the offramp.
3. The first garage entrance is for monthly parkers that have passes. The second entrance includes public parking. If this entrance is closed it may be open on the opposite side of the building on fourth street.
4. We occupy the 22nd and 23rd floor of the west tower, the tower closest to fourth street and the Galt House Hotel. The main lobby is on the 23rd floor.
